

FSC 680 SEMINAR PRESENTATION OF RESEARCH EVALUATION

Presenter:

Date:

Scantron Key: Based on the score achieved in each row, complete the form below and return to myersco@marshall.edu within 24 hours of presentation.

1 = A, 2 = B, 3 = C

	Criteria	1 (A)	2 (B)	3 (C)	Score
1	Title	Audience has no idea what the presentation will cover.	Vaguely tells audience what presentation will cover.	Clearly describes what the presentation is covering	
2	Introduction	Did not clearly address the purpose in opening remarks	Vaguely addressed the purpose in opening remarks	Clearly summarized the purpose in opening remarks	
3	Discussion & Conclusions	Discussion section missing or not discussed	Minimal linkage to original hypothesis or question, or new questions or direction not presented	Results are clearly tied back to original hypothesis or question with new questions or directions presented	
4	Completeness of Content	One or more points left out	Majority of points covered in depth, some points glossed over	Thoroughly explains all points; meticulously stepped the audience through the study, its findings and importance	
5	Graphics	Poor, distracted audience and hard to read or not used at all.	Added little to presentation	Graphics enhanced presentation, all thoughts articulated and kept the interest	
6	References	Fewer than 3 references are listed from peer-reviewed journals or within the past 5 years; convention for references was inconsistent	4 references are listed from peer-reviewed journals or within the past 5 years; essential elements were present but no standard convention was used.	5 or more references are listed from peer-reviewed journals or within the past 5 years; an acceptable reference convention was used.	
7	Acknowledgements	None present	Present but incomplete	Supervisor(s) and faculty are acknowledged	
8	Eye Contact	Does not attempt to look at audience at all, reads notes the entire time	Only focuses attention on one particular part of the class, does not scan audience, reads from notes or slides for much of the presentation	Constantly looks at someone or some groups at all times, minimal use of notes	
9	Facial Expressions & Enthusiasm	Facial expression and posture depict a lack of enthusiasm for the topic.	Facial expression and posture depict minimal enthusiasm for the topic.	Facial expression and posture depict enthusiasm for the topic.	
10	Elocution	Speaks at a low volume or is difficult to understand due to high rate of speed or clarity.	Speaks clearly and loudly most of the time.	Speaks in an appropriate rate of speed and volume throughout presentation.	
11	Vocalized Pauses (uh, well, um)	So many that they are very distracting	Could be reduced for greater effectiveness	No or very few vocalized pauses/distracters noted.	

12	Gestures: Examples of distractions: heavy breathing, messing with hair, twisting and turning, pacing back and forth, or anything else distracting.	Gestures were very distracting	Gestures were somewhat distracting	Effective use of gestures were demonstrated	
13	Professional Appearance	Sloppy or inappropriate clothing or accessories worn	Clean and appropriate clothing and accessories worn	Very professional clothing and accessories worn
