In celebration of the late Fred Rogers' 90th birthday and the 50th anniversary of his show, Twitch is hosting a marathon of the beloved *Mister Rogers' Neighborhood* this week.

Starting on Tuesday, free live streaming service [Twitch](#) will be airing every single episode of *Mister Rogers' Neighborhood*, kicking off at 1 p.m. ET with 90 of its most popular episodes and then running through all 856 episodes from the show's 33-year run. Because the world needs this right now.
