

Group Work

You have already completed a reflection on how you pursue a group assignment. Now, it is time to focus on the other students' participation. Please answer the following questions about previous group assignments. (300 words minimum)

- What would you like for your teammates to do?
- What will you commit to do?
- Might an important strategy be to note all team commitments a day ahead of due dates on personal calendars so you meet all deadlines?
- Should you prioritize the team assignment, reducing other commitments?
- Would it be a challenge for you to back off a bit and avoid taking control?
- How do you feel when teammates do not communicate regularly?
