

Request for Graduate Course Change

1. Prepare one paper copy with all signatures and supporting material and forward to the Graduate Council Chair.
2. E-mail one identical PDF copy to the Graduate Council Chair. If attachments included, please merge into a single file.
3. **The Graduate Council cannot process this application until it has received both the PDF copy and the signed hard copy.**

College: COHP

Dept/Division: CD

Current Alpha Designator/Number: GH40-MS

Contact Person: Loukia Dixon

Phone: 696-2980

CURRENT COURSE DATA:

Course Title: Motor Speech and Swallowing Disorders

Alpha Designator/Number:

C	D	6	9	1					
---	---	---	---	---	--	--	--	--	--

Title Abbreviation:

M	o	t	o	r	-	S	p	h	-	S	w	a	l	l	D	i	s	o	r	d	e	r	s
---	---	---	---	---	---	---	---	---	---	---	---	---	---	---	---	---	---	---	---	---	---	---	---

1. Complete this **five** page form in its entirety and route through the departments/committees below for changes to a course involving: course title, alpha designator, course number, course content, credit hours, or catalog description.
2. If this change will affect other departments that require this course, please send a memo to the affected department and include it with this packet, as well as the response received from the affected department.
3. If the changes made to this course will make the course similar in title or content to another department's courses, please send a memo to the affected department and include it with this packet as well as the response received from the affected department.
4. List courses, if any, that will be deleted because of this change (*must submit course deletion form*).
5. If the faculty requirements and/or equipment need to be changed upon approval of this proposal, attach a written estimate of additional needs.

Signatures: if disapproved at any level, do not sign. Return to previous signer with recommendation attached.

If Yes, Rationale

The updated title uses the broader term "dysphagia" which includes not only swallowing but all of the disorders of feeding covered in the course. It also highlights the type of motor speech disorders discussed in the course - those commonly associated with a concurrent diagnosis of dysphagia versus all types. Other types of motor speech disorders are taught in other courses within the context of the disorders with which they typically occur.

Change in CATALOG DESCRIPTION: YES NO IF YES, fill in below:

From

Study of the nature, assessment, and treatment of dysarthrias, apraxias, and dysphagia, including critical analysis of the literature. (PR: CD 624 or permission of instructor)

To

The study of normal and disordered swallowing across the lifespan including assessment, treatment, and differential diagnosis of dysphagia and associated motor speech disorders; critical analysis of the literature. (PR: CD 624 or Permission of Instructor)

If Yes Rationale

The current description does not cover the scope of information addressed throughout the course. The new description includes more detailed information about the ages, diagnoses, and associated disorders addressed in the course.
