Provide complete information regarding the new course addition for each topic listed below. Before routing this form, a complete syllabus also must be attached addressing the items listed on the first page of this form.

1. FACULTY: Identify by name the faculty in your department/division who may teach this course.

Craig Kimble, PharmD, MBA, MS, BCACP

Robert Stanton, PharmD, MBA, BCPS

Approved preceptors qualified to teach elective experiential learning rotations in a variety of specialty practice areas.

2. DUPLICATION: If a question of possible duplication occurs, attach a copy of the correspondence sent to the appropriate department(s) describing the proposal. Enter "**Not Applicable**" if not applicable.

Not applicable

3. REQUIRED COURSE: If this course will be required by another department(s), identify it/them by name. Enter "**Not Applicable**" if not applicable.

Not applicable

4. AGREEMENTS: If there are any agreements required to provide clinical experiences, attach the details and the signed agreement. Enter "**Not Applicable**" if not applicable.

Yes. Agreements with various inpatient pharmacy sites in multiple states to provide general medicine related experiences. All agreements are on file with the Office of Experiential Learning.

5. ADDITIONAL RESOURCE REQUIREMENTS: If your department requires additional faculty, equipment, or specialized materials to teach this course, attach an estimate of the time and money required to secure these items. (Note: Approval of this form does not imply approval for additional resources.) Enter "**Not Applicable**" if not applicable.

Not applicable.

6. COURSE OBJECTIVES: (May be submitted as a separate document)

See attached syllabus.

7. COURSE OUTLINE (May be submitted as a separate document)

See attached syllabus.

M-F – 8 hours per day or as directed by preceptor (40 hours / week x 5 weeks)

Rotation blocks are offered throughout the fall and spring semester.

8. SAMPLE TEXT(S) WITH AUTHOR(S) AND PUBLICATION DATES (May be submitted as a separate document)

Not applicable.

9. EXAMPLE OF INSTRUCTIONAL METHODS (Lecture, lab, internship)

These are advanced practice pharmacy elective experiences focused on specialty areas of pharmacy practice. The student will participate in a variety of pharmacy activities under the direct supervision of a Marshall University affiliated preceptor and apply a variety of directly learned concepts to pharmacy practice. Students will be exposed to a variety of learning methods which may include any combination of lecture, learning simulations (lab), hands on experiences, team interactions, or other methods.

Course Evaluation (grading): Grading for this experiential rotation will be established by the individual preceptor based on the following criteria and associated grading rubric:

- Attendance, attitude, and professionalism
- Ethics and responsibility
- Communication and interpersonal skills
- Demonstration of pharmacotherapeutic skills (including patient assessment and monitoring, therapeutic decision-making, and intervention), and integration of basic biomedical, pharmaceutical and clinical science knowledge to optimize patient care outcomes in the geriatric population
- Demonstration of critical thinking skills
- Documentation of interventions
- Daily activities
- Formal case presentation(s)
- Medication use evaluations
- Journal club review
- In-service programs
- Drug information
- Patient education materials
- Herbal monographs/ Drug Monographs
- Clinical practice protocol development
- Written/oral presentation(s)
- Project(s)

Letter grades distribution: A = 89.50 to 100%
 B = 79.50 to less than 89.50%
 C = 69.50 to less than 79.50%
 F = Less than 69.50%

Assignment and examination grades will be posted in Blackboard within 7 days unless otherwise stated.

Attendance policy: All students are expected to adhere to the rotation attendance policy and required to spend a minimum of 40 hours per week at the site.

Tardiness is defined as greater than 10 minutes after expected time of arrival. If greater than 1 tardy then this will be classified as an unexcused absence. On time is defined at work and in place to start tasks.

Unexcused absences are prohibited and may result in failure of course. Each unexcused absence will result in a minimum reduction of 5 percentage points per occurrence; two unexcused absences will result in automatic failure of the course. For excused absences refer to the student handbook.

Absences with Advanced Notice: A student may make a request to be excused from rotation for a qualifying school sponsored or other educational event (e.g. career day).

Absences for Illness/Emergency: In the event that the student may be unexpectedly absent from rotation (e.g. illness, emergency), the student **must immediately notify BOTH the preceptor (by phone) and the Office of Experiential Education (304-696-7350)**. Please treat your preceptor as you would an employer and provide notice as soon as possible. In the event that the student must leave a message, (s)he should provide a contact phone number where (s)he may be reached and follow up with an e-mail (if possible) to ensure that the message was received. **Each failure to notify the preceptor AND the school properly will result in (5%) deduction from the rotation grade.**

All missed time (for any reason, with the exception of an approved holiday) must be made up. In the event a student misses more than three (3) days of time during an IPPE rotation, they will automatically fail the rotation unless the missed time is made up.

Length of Course: This experiential pharmacy practice will consist of five (8 academic hours) days (40 hours) per week for one five-week duration.

UNIVERSITY POLICIES

University policies regarding Academic Dishonesty, Students with Disabilities, University Computing Services' Acceptable Use, Affirmative Action, and Sexual Harassment can be found at <http://www.marshall.edu/wpmu/academic-affairs/policies/>.

School of Pharmacy Policies

SOCIAL JUSTICE POLICY STATEMENT

Marshall University is committed to bringing about mutual understanding and respect among all individuals and groups at the University. As part of Marshall University, School of Pharmacy has made a commitment to social justice. Therefore, no one will be discriminated against on the basis of race, gender, ethnicity, age, sexual orientation, religion, social class, or differing viewpoints. Each student will be viewed as a valuable member of this class and as the faculty for the course, I will strive to facilitate an atmosphere/learning environment where mutual understanding and respect are actualized.

ACADEMIC, ETHICAL, AND PROFESSIONAL CONDUCT

Student expectations for academic, ethical, and professional conduct are defined within the school's [Ethical and Professional Conduct Policy](#) and the university's [Academic Dishonesty Policy](#).

Second Chance and Remediation Policy

Second chance and remediation are mechanisms designed to assist students who have struggled within the classroom environment in demonstrating achievement of classroom and curricular learning outcomes. These processes are described in sections 200.001.003 (Second Chance) and 200.001.004 (Remediation) of the [Academic Standards for Grading, Progressions, Dismissal, and Re-admission Policy](#).

Test Security Policy

In order to ensure the security of all examinations, the School of Pharmacy has adopted the following policies:

1. Test Administration

- A. Non-electronic testing
 - a. Students may not access any electronic equipment during the exam that has not been provided by the faculty, including but not limited to calculators, cell phones, laptops and PDAs.
- B. Electronic testing
 - a. Only those resources (electronic or otherwise) approved by the instructor may be used or accessed during the testing session.
 - b. Students enrolled within courses using electronic testing must download and install the [Respondus Lockdown Browser](#). The installation will require an installation code that must be acquired from Computing Services.

2. Test Review

- A. Students will not be allowed to view any exam without direct supervision of course faculty or site facilitator
- B. Students must review tests within time specified by the course faculty.
- C. Limited numbers of students may be allowed to view the exam at one time depending on office size, space, and faculty preference.
- D. Students will be allowed to review the exam only one time, and time limits may be placed on review as specified by course faculty.
- E. NO notes can be taken by the student while reviewing the test, and students are not allowed to access any electronics while reviewing the tests. NO copies electronic or written!
- F. Individual student printouts for exams are to be retained by the faculty.
- G. Faculty have the right to place further restrictions on test review as deemed necessary.
