Dr. Pittenger,

Are you approving where the Counseling program wants to no longer require all transcripts for their application process? I just want to make sure.

Currently they require transcripts from all schools attended. They want to now only require bachelor's degree transcript.

Thanks,

Leslie J

Leslie,

I may have missed an e-mail about changes to the admissions process for the Counseling program and there is now a bottle neck. Will you please make the changes they want with my approval . . .

David
