I.D. Card Points

This plan is a valued service available to all students. By placing money on your account, your I.D. card serves as a **Pre-Paid Debit Card** accepted at numerous campus locations including all campus food venues. You can supplement your account at any time by cash, check, or credit card (MasterCard, Visa & Discover Card) in the ID Office or by phone. **Points plan balances DO carry over to the next semester.** For more information, contact the *I.D. Card Office* at 304/696-6843, or visit www.marshall.edu/campusid.

We offer 10 different commuter meal plan options. These plans may be purchased for use during any regular academic term.

Twin Towers and *Harless* cafeterias offer "all you care to eat", except for premium nights. The *Memorial Student Center Food Court*, a retail dining location, offers a meal card value called "cash equivalency" which is available on all meal plans except the "Unlimited Meal Plans". The cash equivalency rates for each academic year are posted at each location. Any purchase over the cash equivalency rate in the *Memorial Student Center Food Court* must be paid for in cash/points/flex at the time of purchase. Refunds are not given if the amount of purchase is less than the cash equivalency rate. If you have any dietary constraints, please contact the Sodexo General Manager at 304/696-3329.
