In previous versions of the SRK, any sport other than football, basketball, baseball, and track & field/cross country were reported as the category "Other"; therefore, average rates and overall counts are not available for some sports. As of 2025, average rates and overall counts will be reported for every listed sport.

The Graduation Rate is the percent of those students who received their bachelor's within 150% of the normal time to complete a degree (within six years after they entered).
