

SPORTS PR

W. Page Pitt School of Journalism and Mass Communications curriculum guides augment your 2012-2013 Undergraduate Catalog.

Use them to help plan each semester of your program. The guides:

- offer a semester-by-semester plan for your program,
- outline your general education, your school and your major requirements,
- include reminders about minors and graduation checks, and
- summarize your graduation requirements.

A suggested semester-by-semester plan

The following plan is a suggested model for progress through the sports journalism program. It may be beneficial to take courses in different time frames, but watch particularly the sequence of JMC requirements. Plan course selections so that critical thinking, multicultural, international and writing intensive requirements are included.
