

# JOURNALISM

## *sports broadcast emphasis*

Journalism and Mass Communications curriculum guides augment your 2018-2019 Undergraduate Catalog. The guides:

- offer a semester-by-semester plan,
- outline general education, school and program requirements,
- include reminders about internships and graduation audits, and
- summarize graduation requirements.

**A suggested semester-by-semester plan:** The following is a model for progress through the sports broadcast emphasis of the journalism major. It may be beneficial to take courses in different time frames, but try to follow the sequence of JMC offerings. Ideally, internships should be completed during the summer between the junior and senior years. To ensure your work is properly credited, you must work through the internship director.

- Submit a complete internship application.
- Secure approval of the employment or other work.
- Get permission to enroll in JMC 490, 491 or 470.
- Maintain weekly contact, attend scheduled meetings and submit a final report and a portfolio.
