Swab the cardboard and hoist the duct tape! IT'S TIME FOR THE CARDBOARD BOAT RACE!

The June Harless Center's Cardboard Boat Race is back as part of the Huntington Children's Museum's Kidsfest. Participants in this event will learn and utilize the engineering design process and other STEAM skillsets to design, build, and race a boat entirely out of cardboard and duct tape (all materials are provided).

Join us for a day filled with problem solving, teamwork, and summer fun as teams of up to three build and navigate their epic cardboard creations across the Henderson Center pool.

Cost: FREE

Ages: Students entering grades 3-12 in the 2023-2024 school year. (Categories: 3-5, 6-8, & 9-12)

Complete rules and building tips will be posted on our [event website](#) soon.
