Note: Once requisition is complete in Banner, it will need to be approved in the Banner department queue FOAUAPP .

Step 10	Once the Purchasing Office has created the PO, a copy will be sent to the vendor, PI and/or the department administrator for their records.
	If you need to check the status of a PO please email Kristen Webb.
Next Step	Once the PO has been set up the vendor can begin invoicing. Invoicing should not take place until the Purchase Order has been created.

Key MURC Contacts for this Process:

Pre-Award Grants Officer

Each department at Marshall University has an assigned Pre-Award Grants Officer. You can locate your officer <u>here</u>. For agreements over \$10,000, your Pre-Award Grants Officer will need to review the agreement and supporting documentation. This includes signing off on the Vendor Checklists and sending an approval email to the PI and Kristen Webb.

Kristen Webb, Contract and Subaward Compliance Officer

Kristen will review of the agreement and supporting documents. She will ensure that Dr. Maher's signs the agreement and that it is sent to the MU Purchasing Office to get converted to a Purchase Order (PO). She will also reach out to the MU Purchasing Office on the PI's behalf to check the status of a PO.

Service Agreement Invoicing Process

When invoicing against a Purchase Order (PO), the vendor is required to complete the <u>MURC Service Agreement</u> <u>Invoice</u> to ensure all relevant information is properly recorded and that the invoicing aligns with the terms of the service agreement. It is alright if the vendor attaches their own invoice, but they must use the MURC Invoice. **This document must be completed by the vendor.**

The **agreement number (RC-P# or P#)** must be included on all invoices. This number is on the final PO (fully executed service agreement), a copy of which the vendor should have on file. Including this number helps to streamline the processing and ensures accurate tracking of the contract.

Complete the Vendor Section	The vendor must fill out all necessary details in the "To be completed by vendor" section of the invoice. This includes the vendor's name, contact information, and other requested details.
Assign an Invoice Number	The vendor will assign a unique invoice number and include the date of the invoice.
Step Check the Final Invoice Box	If applicable, the vendor should check the box indicating whether this is the final invoice for the service agreement.
Provide Service Details	The invoice must include a brief description of the services provided. For vendors paid on an hourly basis, a detailed breakdown of the days worked, hours worked per day, and the rate of pay should be listed. This breakdown ensures transparency and clarity for both parties involved.
Total Amount and Signature	All invoices must include the total amount for the services rendered. The vendor must sign and date the invoice, certifying that the charges are true and accurate as per the agreement.
PI Review and Approval	The Principal Investigator (PI) will review the charges and ensure they align with the services described in the service agreement. Once the PI is satisfied, they will sign the invoice on the designated line at the bottom of the form.
Submit for Processing	The signed invoice, along with any required supporting documentation, should be sent to <u>Kristen Webb</u> , <u>Contract and Subaward Compliance Officer</u> and copy <u>Kristen</u> <u>Martin, Senior Finance Officer</u> for review. Once reviewed and approved, it is submitted for payment.
Ensure Payment Received	PIs are responsible to ensure that the vendor has received the payment. You can use Banner Screen <u>FGIENCD.</u>
