Dear Valued Customer,

As of October 1st, 2017, GE's former Water & Process Technologies business has officially become a part of SUEZ, a company present on five continents and a key player in the sustainable management of resources (water & waste). As a result of this acquisition, a new Business Unit called Water Technologies & Solutions was created within SUEZ, combining its industrial water offering with GE's water business.

We are pleased to announce effective immediately that our new legal entity name is: **SUEZ WTS USA, Inc.**

This is a name change only and, as such, our address, bank account #, Tax ID #, phone #, fax #, and email addresses remain unchanged.

Additionally, you will see no change to the substance of your existing contract(s) and Purchase Orders (PO). All terms and conditions of any existing agreements with the Water & Process Technologies business remain unaltered and have transferred to **SUEZ WTS USA, Inc.**

To ensure a smooth transition, we ask that you please update your system immediately with the above information.

If you have recently sent a PO, nothing changes. Your deliverables under the contract or PO, and the delivery dates, remain the same. For new PO's, please reference the new legal entity name noted above.

If you are currently claiming an exemption from sales and use tax, please forward updated exemption certificates reflecting our new name in the vendor/seller section.

We look forward to a bright future and a long-standing relationship with you. If you have any questions, please do not hesitate to contact us.

Yours truly,
SUEZ – Water Technologies & Solutions
