Nick,
Did you mean to say that the current Drinko Dumpster (#22) is currently services twice a week (rather than once)....and will be moving to three times a week with an added increase of \$102 for the extra pickup?

Misty,

The current service arrangement at Drinko is 1 – eight yard container serviced once a week billed monthly for \$204 per month. The increase at Drinko will take the service to 3 times per week billed monthly for \$306 which is a \$102 increase for the additional service. If you have any questions or need additional information, please let me know.

Thank you,

Nick Rupert | Municipal Sales Representative

Hi Paul,

You can go ahead and increase the frequency of the service. This is permitted in our contract.

@nick.rupert@rumpke.com: Can you let me know if this will change our current monthly rate for Drinko? If so, please let me know the price change and I can get the change order processed.

Thank you!

Subject: RE: Drinko Dumpster #22

Michelle,

I would like to request emergency approval to proceed with increasing the trash frequency pickup from 2 days a week to 3 days a week. This might not sound it should be an emergency request, however overflowing trash quickly leads to rodent problems....not to mention our janitorial contract cleaner is having to transport trash to other dumpsters which is outside their normal operating requirements.

Thanks.

Hi Paul-

Before they can begin an additional pick up, I believe a change order would have to be completed and signed to increase it on the open-end contract. I am including Misty in the email for clarification.

Subject: Drinko Dumpster #22

Nick,

Per our discussion, we would like to increase our service of Drinko Dumpster #22 from 2 days a week to 3 days a week (M-W-F). This can start next week if you have the capacity.

As we discussed the dumpster is staying full resulting in having to transport trash from Corbly and the Welcome Center to other locations.

Also, could you please send me a photo of the "flat top" 8 yard dumpster that you believe could replace the Drinko dumpster and allow the roll up door to close?

Thank you very much.
