If, within three business days following the placing of a job order, Workforce West Virginia is unable to refer any qualified job applicants to the employer or refers less qualified job applicants than the number requested, then Workforce West Virginia shall issue a waiver to the employer stating the unavailability of applicant and shall permit the employer to fill any positions covered by the waiver from outside the local labor market. The waiver shall be in writing and shall be issued within the prescribed three days. A waiver certificate shall be sent to both the employer for its permanent project records and to the public authority.

Any employer who violates this requirement is subject to a civil penalty of \$250 per each employee less than the required threshold of seventy-five percent per day of violation after receipt of a notice of violation.

**CONSTRUCTION CONTRACTS:** Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

**ALL CONTRACTS:** Under W. Va. ## Permitting Contract Policy

Date of Policy / Procedure Update: January 2, 2016

*This Policy will ensure accurate and up-to-date information is being collected on projects throughout the city.*

### **Definitions:**

**Contractor:** a person who in any capacity for compensation, other than as an employee of another, undertakes, offers to undertake, purports to have the capacity to undertake or submits a bid to construct, alter, repair, add to, subtract from, improve, move, wreck or demolish any building, highway, road, railroad, structure or excavation associated with a project, development or improvement, or to do any part thereof, including the erection of scaffolding or other structures or works in connection therewith, where the cost of the undertaking is two thousand five hundred dollars or more.

**Subcontractor:** a person who performs a portion of a project undertaken by a principal or general contractor or another subcontractor.

**General Building Contractor:** a person whose principal business is in connection with any structures built, being build or to be built for the support, shelter and enclosure of persons, animals, chattels or movable property of any kind, requiring in the construction the use of more than two contractor classifications, or a person who supervises the whole or any part of such construction.

### **Policy:**

Effective January 2<sup>nd</sup> 2016 there will be new criteria needed for persons applying for building permits. A copy of the official contract between the General Contractor and the person initiating the project must be provided to the permitting office.

The official contract(s) between the General Contractor and the subcontractors working on the project also need to be provided. These contracts should include the total amount (including labor and materials as applicable) each individual subcontractor and General Contractor will receive for the completion of the project. The contract(s) should also contain the name, phone number, and mailing address of the subcontractor or General Contractor.

If a copies of the contracts cannot be provided at the time the permit is being issued, the permitting office may accept a copy of the "Notice to Proceed" form. These forms should reflect the information provided in the official contract and should be provided for every contractor and subcontractor. If the contractor does not have a "Notice to Proceed" form a copy can be provided to them by the permitting office. If the contractor decides to use the "Notice to Proceed" form, the permitting office will need copies of the official contracts before Building Final will be issued.

These rules also apply to any subcontractor who in turn has their own subcontractors working on the same project. They too must supply copies of all official contracts between them, acting as a General Contractor, and their subcontractors.

This policy can be waived under the discretion of the Supervisor of Inspections & Permits Division
