MARSHALL UNIVERSITY
CRITERIA FOR SELECTION OF LOWEST
RESPONSIBLE AND RESPONSIVE BIDDER FOR CONSTRUCTION PROJECTS

Pursuant to the laws of the State of West Virginia and Marshall University's Board of Governors Policy FA-9, Purchasing Policy, construction projects over \$100,000.00 must award bids only to the lowest responsible and responsive vendor. Therefore, Marshall University must consider the following factors, and the information from the Contractor's Qualification Statement (AIA Document A305-2020), when making a determination as to whether a contractor's bid is not only the lowest, but is also responsible and responsive. Therefore, the apparent low vendor with the lowest bid must respond in writing to the following thirteen (13) items and provide a completed AIA Document A305-1986 (Contractors Qualification Statement) to the Facilities Planning & Management, and the Office of Purchasing within twenty-four (24) hours after the bid opening. These documents will be used in the bid evaluation process to determine if the Vendor is both responsible and responsive. For all responses, please include any other company/vendor names that you have operated under that are included in the responses provided. Also include the years of experience the company/vendor has in the construction, renovation, or building repair business.

1. The company/vendor's participation in a drug program that meets the objectives, applicable laws and regulations for a drug free workplace including the use of tobacco and alcohol on school properties.

2. The continuity, experience, and skill of the company/vendor's work force and that of the company/vendor's designated subcontractors.

3. The company/vendor's performance on similar construction projects. Please list the three (3) most current similar projects.

4. The company/vendor's ability to successfully complete projects within the proposed schedules and deadlines.

5. The company/vendor's participation in a *bona fide* joint apprenticeship program that is approved by the US Department of Labor, US Bureau of Apprenticeship Training and is administered in compliance with the rules and regulations of the WV Department of Labor. [See DOL 42-7-3.1(i)]

6. The company/vendor's history of compliance with Worker's Compensation and Unemployment Compensation laws.

7. The company/vendor's history of compliance with OSHA requirements.

8. The company/vendor's subcontractor's compliance with state regulatory agencies i.e. WV Department of Labor, the WV Insurance Commission, Workforce WV, WV Secretary of State' Office, etc.

- 9. The company/vendor's local hiring plan and history of compliance with the WV Jobs Act, (W. Va. Code, Chapter 21, Article 1C) regarding use of the local labor market.

- 10. The bonding record of the company/vendor.

- 11. The company/vendor's participation as a party in any legal action where an awarded liability could negatively impact the ability of the company/vendor to complete this project.

- 12. The company/vendor's financial stability and its impact on the company's ability to complete the project.

All of the factors, as outlined above as supported by the accompanying Contractors Qualification Statement, will be considered by Marshall University in determining the “best” responsible and responsive Vendor.

PURCHASING AFFIDAVIT

CONSTRUCTION CONTRACTS: Under W. Va. Code § 5-22-1(i), the contracting public entity shall not award a construction contract to any bidder that is known to be in default on any monetary obligation owed to the state or a political subdivision of the state, including, but not limited to, obligations related to payroll taxes, property taxes, sales and use taxes, fire service fees, or other fines or fees.

ALL CONTRACTS: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (*W. Va. Code §61-5-3*) that: (1) for construction contracts, the vendor is not in default on any monetary obligation owed to the state or a political subdivision of the state, and (2) for all other contracts, that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

Permitting Contract Policy

Date of Policy / Procedure Update: January 2, 2016

This Policy will ensure accurate and up-to-date information is being collected on projects throughout the city.

Definitions:

Contractor: a person who in any capacity for compensation, other than as an employee of another, undertakes, offers to undertake, purports to have the capacity to undertake or submits a bid to construct, alter, repair, add to, subtract from, improve, move, wreck or demolish any building, highway, road, railroad, structure or excavation associated with a project, development or improvement, or to do any part thereof, including the erection of scaffolding or other structures or works in connection therewith, where the cost of the undertaking is two thousand five hundred dollars or more.

Subcontractor: a person who performs a portion of a project undertaken by a principal or general contractor or another subcontractor.

General Building Contractor: a person whose principal business is in connection with any structures built, being build or to be built for the support, shelter and enclosure of persons, animals, chattels or movable property of any kind, requiring in the construction the use of more than two contractor classifications, or a person who supervises the whole or any part of such construction.

Policy:

Effective January 2nd 2016 there will be new criteria needed for persons applying for building permits. A copy of the official contract between the General Contractor and the person initiating the project must be provided to the permitting office.

The official contract(s) between the General Contractor and the subcontractors working on the project also need to be provided. These contracts should include the total amount (including labor and materials as applicable) each individual subcontractor and General Contractor will receive for the completion of the project. The contract(s) should also contain the name, phone number, and mailing address of the subcontractor or General Contractor.

If a copies of the contracts cannot be provided at the time the permit is being issued, the permitting office may accept a copy of the "Notice to Proceed" form. These forms should reflect the information provided in the official contract and should be provided for every contractor and subcontractor. If the contractor does not have a "Notice to Proceed" form a copy can be provided to them by the permitting office. If the contractor decides to use the "Notice to Proceed" form, the permitting office will need copies of the official contracts before Building Final will be issued.

These rules also apply to any subcontractor who in turn has their own subcontractors working on the same project. They too must supply copies of all official contracts between them, acting as a General Contractor, and their subcontractors.

This policy can be waived under the discretion of the Supervisor of Inspections & Permits Division
