STUDENTS ASSIGNED F OR NC GRADES:

To assist the Office of Student Financial Aid in complying with Title VI regulations, if an F or NC grade is reported, please indicate the student's last date of attendance at an academically related activity in the space provided to the right of the grade reported. This must be in the following format MM/DD/YYYY – example 10/20/23. If the student completed the course earning an F or NC through normal evaluation of academic performance, a date is not required. If the student never attended or participated in an academically related activity for the course, please email Student Financial Assistance (sfa@marshall.edu). If you have any questions regarding this, please contact Financial Aid at 304-696-3162.

You may move to another course by choosing Final Grades again.

If a grade was entered incorrectly, you may change the grade before it is rolled into academic history. After a grade has been rolled to history, it cannot be changed via the Web.

Please do not wait until the NOON deadline to attempt to enter grades online as the server may unexpectedly be unavailable.
