

SAFETY COMMITTEE

MINUTES

Monday, September 8, 2008, 10:00 a.m., Human Resource Services Conference Room, 207 Old Main.

Present: Brian Carrico, Michelle Douglas, Andrea Koutsunis, Dale Osburn, Tracy Smith, Chuck Somerville, Jim Stephens, Jim Terry, Jeremy Thompson

Minutes of Prior Meeting: Minutes from the July 14, 2008, meeting were approved.

Schirmer Engineering: Brian Carrico stated that overall Schirmer was pleased with the MU campus. No official report will be due until the end of September 2008 or October 2008.

Speed Limits on Third and Fifth Avenues: Jim Terry stated that after speaking with the Department of Highways, there was no way to lower the speed limit due to the timing and flow of current traffic in both areas.

Handicap Areas of Campus: Complaint of ground level handicap areas on campus. Jim Terry to determine the amount of handicap spaces needed for parking for entire campus. Update to be given at November 2008 meeting.

Alpha Xi Delta Lighting: Jim Terry stated that the lighting around the areas on Sixth Avenue would be examined to determine if there is adequate lighting in the area of 16th to 18th Streets.

Lighting on Fifth Avenue: Jim Terry stated that the lighting would be examined by the City of Huntington around the fraternity houses between the 1400 and 1600 blocks of Fifth Avenue.

Next Meeting: Monday, November 10, 2008, 10:30 a.m., HR Services Conference Room.
