## Pre-paid Tuition, 529 Plans & Outside Scholarships

Please forward any payments for Pre-paid Tuition, 529 Plans and Outside Scholarships to the Office of the Bursar as soon as possible.

**Note:** Outside Scholarships are considered a financial aid resource for financial aid packaging purposes; Pre-paid Tuition and savings from 529 Plans are not. In instances when financial aid exceeds the student’s total Cost of Attendance and/or financial need, receipt of an Outside Scholarship may require an adjustment of other financial aid awards. When an adjustment is required, the Office of Student Financial Assistance will always reduce student loans first, then Federal Work-study and, as a last resort, grants and scholarships. This is in compliance with federal and state regulations and institutional policy.
