## Experience

---

January 2019-April 2019

### **420 Hour Practicum Placement in Pathways Regional Prevention Center**

- In my region, I collaborated with young individuals to raise critical awareness and prevent substance use and suicide. I offered support, provided resources, and delivered technical assistance. Additionally, I guided and empowered the youth I worked with in creating and implementing strategies that promote prevention within their school and local community.

June 2019-September 2020	Pathways, Inc	Ashland, KY
--------------------------	---------------	-------------

### **Youth Prevention Specialist**

- In my region, I collaborated with young individuals to raise critical awareness and prevent substance use and suicide. I offered support, provided resources, and delivered technical assistance. Additionally, I guided and empowered the youth I worked with in creating and implementing strategies that promote prevention within their school and local community.

July 2019

### **Kentucky School of Alcohol and Other Drugs Studies**

July 2019

### **Too Good for Drugs Curriculum Educator Training**

April 2020-August 2020

### **Virtual Masters of Social Work Practicum**

- Due to unforeseen circumstances related to COVID-19, I completed my practicum virtually. During this experience, I collaborated with multiple agencies, gaining insights into the populations they serve, grant funding, and overall service delivery. Notably, I closely collaborated with the Hidalgo County Community Service Agency in Edinburg, TX, where I contributed to the development and implementation of a service delivery plan funded by a grant, specifically aimed at assisting their community after a natural disaster.

## Kaylee Limings Archey

June 2020-July 2021

### **Certified Youth Mental Health First Aid Instructor**

September 2020-August 2023

Pathways, Inc

Grayson, KY

### **Clinical Social Worker**

- In the outpatient therapy setting, I collaborated and treated youth aged 5-18 and their families to address past trauma, behavioral issues, mental health disorders, and other presenting problems. My role involved assisting them in developing coping skills and strategies to improve their overall quality of life.
- In my time as a clinical social worker, I have experience with assessment and diagnosis, treatment planning, mental health disorders, and human development and behavior. I provided evidence-based therapeutic interventions and crisis intervention when necessary. I utilized critical thinking, problem-solving, cultural competence, and collaboration techniques with treatment team members and clients. All of these skills and abilities allowed me to provide holistic and effective clinical treatment and intervention as well as increase my overall skill and clinical judgment.
