Collier's Corner

Dear Upward Bound Family,

The Upward Bound staff wants our students and their families to know that our thoughts and prayers for safety and good health are with everyone during this ever-changing COVID-19 virus! We will miss seeing you all in April for the school visits. We were hoping that we could end our academic year with the annual Family Picnic scheduled for May 3, but, unfortunately, that has been cancelled. We have, though, developed a plan for you all to obtain your stipends. You will be receiving a form in the mail in three weeks that you must complete and mail back to us in the envelope provided. Once we receive the completed form, we will process check requests through Marshall and then your check will be

mailed to you. When completing the form, please make sure that you place your correct and current mailing address on it.

Our staff has been telecommuting and will continue to do so until further notice. However, please do not hesitate to contact us through social media, phone, and/or email if you have any questions with your school assignments or need some assistance over the next few weeks in any way! All of our office phone numbers and email addresses are listed in this newsletter!

Eugene has been contacting you individually each week with updated information and services that we

are still providing for everyone during this new normal! Please continue communicating with him via texting.

We are still moving forward with the Summer Program! We may need to make some modifications once we receive information from the Department of Education. We will inform everyone of any changes as soon as possible. Summer Program packets will be mailed soon!

Continue to finish out the school year strong!

Love to all!

Darlene
