What is United Way?

United Way works to create community-based and community-led partnerships. We support strategies that create long-term solutions to critical issues in health, education and financial stability.

Why should I give?

When you give to United Way, you are investing in programs and strategies that address the most critical issues in the region.

Where does my money go?

Your gift supports programs, strategies and partnerships that address issues related to our four focus areas - health, education, financial stability and basic needs.

Does my contribution stay in this area?

Absolutely - 99 cents of every dollar donated to United Way stays right here in our five counties (Cabell, Lincoln Mason and Wayne counties in West Virginia and Lawrence County, Ohio).

Can I designate my contribution to a particular program, funded partner or nonprofit?

UWRC does not accept designations. Instead, all donations are pooled together to create a larger fund with which to address challenges within our four focus areas.

Where can I get help?

Anyone in West Virginia can dial 2-1-1 on their phones for NON-MEDICAL emergencies.
